Dear Senator Lipman:

Wynona

I thought it would be helpful in terms of the representation that you provide for your legislative district to keep you informed about grants made available through the State Department of Health to organizations within your district.

Accordingly, be advised that the following awards have recently been made:

Recently funded were Comprehensive Outpatient Tertiary Services at United Hospitals Medical Center/Children's Hospital of New Jersey for \$9,973.

Also funded was the Newark and Infant Care Project at College of Medicine and Dentistry of New Jersey for \$670,000.

If I can be of any further assistance, don't hesitate to call on me.

Sincerely,

Gertrude

Gertrude Berman, M.S.W., A.C.S.W.
